16th Annual Paramedic Refresher December 7,8,9 2011

Event History

Each year the North Lake Tahoe Fire Protection District sponsors a Paramedic level refresher. The program provides 27 hours of CME's annually, of the 48 hours of CME's required for Bi-annual recertification, for NREMT and DOT recommendations. Completing two full consecutive year(s) programs constitutes completion of a State of Nevada approved Paramedic level refresher. This year's program includes 27 CME's following a lecture format. The course is pending approval for State of Nevada EMS or BSN, and State of California SSV EMS. The education is once again being coordinated by John Mohler, RN. Visit him at www.johnmohler.com.

Come stay with us at our new home at the Hyatt.

The resort is located in Incline Village. The Hyatt is a full service hotel, casino, resort and spa. We have reserved a limited number of rooms at a conference price of just \$99.00. Reserve one today! (775) 832-1234
